The Total and Permanent Disablement Benefit is payable if the Life Assured becomes totally and permanently disabled directly as a result of an accident.

## Can I take a loan against my Policy?

No loan is available under this Policy.

## What happens if I discontinue paying premium?

During the first three years, if premiums are not paid within the grace period the Policy will lapse.

After the first three years if premiums are not paid within the grace period, the Policy will be made 'Paid-up' and the Sum Assured will be reduced:

- ▶ Firstly, in the proportion of completed duration to Original Policy Term
- ▶ Secondly, by the amount of periodic lump sum payments already made

Any accumulated bonuses attached to this Policy will remain attached in full. Once this Policy becomes 'Paid-up', no further bonuses are paid. You will receive the 'Paid-up' Sum Assured plus bonuses on the maturity date of the Policy or in the event of loss of life. Once the Policy becomes 'Paid-up' no further Survival Benefits are paid.

## What if I want to discontinue the Policy?

Your plan acquires a Surrender Value after three years premium has been paid and after three years have elapsed from date of commencement of the Policy. We guarantee a minimum Surrender Value of 30% of the total premiums paid (excluding any extra premiums and premiums for additional Benefits) subsequent to the first year premium, less the total of lump sum Survival Benefits already paid under this Policy. On surrender, the insurance protection provided under the Policy will also cease.
