► Accidental Death Benefit

In an unfortunate event of the death of the life insured within 180 days of the occurrence of an accident, in addition to the death benefit under the base plan, an additional sum equal to the rider sum assured shall be payable under this policy.

"Accidental Death" means that the life assured sustains any bodily injury resulting solely from an accident and where such injury solely and directly and independently of all other causes results in the death of the life assured within 180 days of its occurrence. The exclusions with respect to the benefit are as mentioned in the subsequent sections.

► Accidental Total and Permanent Disability Benefit

In the event of the total and permanent disability within 180 days from the occurrence of the accident, an amount equal to the rider sum assured shall be payable in equal annual installments in certain over the 10 years under this policy. During the period of installment payment, the rider policy cannot be surrendered. In the event of death of the life assured during the period of installment payment (i.e. within 10 years), the outstanding installment payments, if any, shall be payable.

The first installment shall be payable on acceptance of the claim, and the remaining annual installments on the anniversaries of the date of payment of the first installment. Upon successful acceptance of the claim, the Rider Policy will

cease and the rider sum assured shall be payable in equal annual installments in certain over the 10 years. The Policyholder is required to continue paying the premiums of the base plan and other riders, if any.

In case the total and permanent disability is not established within 180 days from the date of accident and premiums have not been paid, the policy will lapse and non-forfeiture provisions mentioned in non-forfeiture conditions section will be applicable.

Once the policyholder is declared eligible to receive the benefits under Accidental Total and Permanent Disability, the coverage under this rider will cease immediately.
