Can I take a loan against my policy?

Yes, you can take loan against your Policy. The Policy Loan can be up to a maximum of 90% of the Surrender Value of the Policy at the time of taking the loan based on the terms and conditions at that time. This facility is available after premium payment of three full years and after three years have elapsed from date of commencement of the Policy.

What happens if I discontinue paying premium?

During the first three years if premiums are not paid within the grace period the Policy will lapse.

If you discontinue paying premium after paying premium for three full years then your Policy will be converted into a 'Paid-up' for a reduced Sum Assured determined in the same proportion as the amount of premiums actually paid bears to the total amount of premiums payable. The life insurance protection will continue to the extent of the 'Paid-up' Value until the end of the Policy term. Any accumulated bonuses attached to this Policy will remain attached in full. Once this Policy becomes 'Paid-up', no further bonuses are payable. On survival to the end of the premium paying term, you will receive the 'Paid-up' Sum Assured. On survival to the end of the policy term, you will receive the vested bonuses. You will receive the 'Paid-up' Sum Assured plus the vested bonuses in the event of loss of life.

What if I want to discontinue the Policy?

We provide you the option to surrender your Policy and receive the Surrender Value. If your Policy has accumulated any bonuses, then you will also receive the cash value of that total amount upon surrendering your Policy.

Your plan acquires a Surrender Value after three years premium has been paid and after three years have elapsed from date of commencement of Policy. We guarantee a minimum Surrender Value of 30% of the total premiums paid (excluding any extra premiums and premiums for additional Benefits) subsequent to the First Year Premium, plus the cash Surrender Value of any vested bonuses. On surrender, the insurance protection provided under the Policy will also cease.

Can I revive a Policy which is lapsed?

A lapsed Policy can be reinstated for full Benefits anytime before the date of maturity at terms and conditions required by the Company.
