Lapse

If premiums are not paid in full for the first two consecutive policy years then the policy will lapse at the end of the grace period and the insurance cover, will cease immediately. In such a scenario, no benefits will be paid if the policy is not revived within the revival period.

No benefits will be paid when the policy is in Lapsed status

Paid-up

If the policy has acquired a surrender value and no future premiums are paid, the policy will continue as reduced Paid-Up and the benefits will be reduced as specified below:

Benefit	When is it payable	Payout
Death Benefit	On death of the Life Assured during the Policy Term	Paid-up Sum Assured on Death Plus Accrued Reversionary Bonus
Maturity Benefit	On survival of the Life Assured to the end of the Policy Term	Paid-up Sum Assured on Maturity Plus Accrued Reversionary Bonus

Once the policy becomes paid-up, no further bonus shall accrue to the policy.

Premium Discontinuance (2/2)

Surrender

You have the option to surrender your policy and receive the Surrender Value. The policy will acquire a surrender value provided all due premiums have been paid in full for at least first two consecutive policy years. The Surrender Value payable is higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV) of the policy. The details of GSV and SSV are provided in the policy document. The policy will be terminated once it is surrendered and cannot be reinstated.

A policy in a lapsed or paid-up condition can be revived during the revival period by paying the arrears of premiums along with interest at the prevailing rate of interest. The revival period is 5 years from the due date of the first unpaid premium or date of maturity of the base policy whichever is earlier. Prevailing interest rate shall be equal to 10-year G-sec benchmark interest rate as on last working day of previous financial year, rounded up to the nearest multiple of 25 basis points plus a margin of 150 basis points. On revival, the policy will be eligible for its complete benefits and any due and unpaid benefit shall be paid immediately when the policy is revived. If a lapsed policy is not revived, the policy will be terminated at the end of the revival period.
