Prevailing interest rate shall be equal to 10-year Benchmark G-sec annual yield as on last working day of previous financial year, round up to the next multiple of 25 basis points plus a margin of 150 basis points, subject to a minimum revival interest rate of 7.00% p.a. The rate of interest for revivals for FY 24-25 is 8.75% p.a. compounded yearly. Please contact us to know the prevailing rate of interest for revival of policies.
