

Leaders on The Rise: Defining the Next Decade

Meet the emerging trailblazers reshaping industries and redefining leadership through bold vision, relentless innovation, transformative impact, and a passion for driving global change.

Jaikishan Adnani, Founder & Chairman, Condor Footwear (India) Ltd.

Jaikishan Adnani, Founder and Chairman of Condor Footwear (India) Ltd., has been the driving force behind the company's success since its inception in 1995. A visionary entrepreneur, he pioneered PU footwear technology in India and formed a strategic joint venture with Italian brand Condor Trade S.R.L., elevating Condor to global standards. Under his leadership, the company set up two world-class manufacturing units in Surat with a capacity of 80,000 pairs per day. His focus on innovation, quality, and affordability helped establish popular brands like Inblu, Aerowalk, and Chips. Thanks to his foresight, Condor now exports to over 45 countries and serves diverse markets through wholesale, retail, and online channels. Mr. Adnani's commitment to excellence, sustainability, and strong industry relationships has earned the company ISO certification and international accolades, making Condor a respected name in global footwear manufacturing.
