Policy Account: The Company shall keep a separate Policy account of all receipts and benefit payments in respect of each Master Policy.

The Policy Account shall be credited with:

1. Premiums/Contributions/Top-up paid by the Master Policyholder in accordance with the Scheme Rules

3. Interest amount accrued at the end of every financial year or on policy termination, whichever is earlier

The Policy Account shall be debited with:

1. Benefit payments excluding sum assured payment on death of Members/Employees insured under the policy
2. Mortality premium charges towards providing insurance coverage to Members/Employees insured under the policy
3. Taxes, duties or surcharges of whatever description levied by any statutory authority

The amount of money held by the Master Policyholder in Policy Account at any point is referred to as Policy Account Value. Our liability at any time, will be limited to the Policy Account Value, subject to deductions and Market Value Adjustment as per terms and conditions of this policy, in addition to sum assured payable on death of the Member/Employee insured under this policy.

The insurance cover for members/employees will terminate if Policy Account Value is not sufficient to recover mortality charges.

Surrender Charge: If the Policy is being surrendered within 3 years of policy inception, then a surrender charge of 0.05% of Policy Account Value, subject to a maximum of ₹ 5,00,000 shall be applicable.

All Charges except Administration Expense are guaranteed for the term of the policy.

Premium Discontinuance: As per IRDAI regulations, the premiums/contributions payable by the master policyholder shall be in accordance with the funding requirements as per the Scheme Rules. The policy shall not be considered as discontinued if there is no funding requirement as per extant accounting standard governing the measurement of long term employee benefits and the Master Policyholder does not pay premiums or contributions under the policy.

Surrender Value: The surrender value payable shall be the Policy Account Value less the market value adjustment amount (if applicable) plus interest earned (on pro-rate basis) less surrender charge.

Market Value Adjustments (MVA): The Company may adjust the Benefit payouts from Policy Account Value in case of bulk exits and policy surrender. MVA shall not be applicable for the amounts below the amount which represents the bulk exits and shall be applied only to the amount which is over and above the amount representing bulk exit. MVA shall be applied only if, basis the revaluation of entire portfolio of assets, the market value of assets in respect of the policy is lower than the Policy Account Value/Amount to be paid on bulk exits.

Bulk Exits: If the amount to be paid on total exits during any policy year exceeds 25% of the Policy Account Value at the beginning of that policy year, such transactions shall be considered as bulk exits in the policy year. Herein, exits shall mean exit of the member/employee from the group as per Scheme Rules.

MVA Calculation:

MVA Amount on Policy Surrenders = MVA Factor x Policy Account Value

MVA Amount on Bulk Exits = MVA Factor x [Benefit Payout Amount from Policy Account over and above the 25% of the Policy Account Value at the beginning of the policy year]

where MVA Factor = $\max(0, (\text{Policy Account Value} - \text{Market Value of assets in respect of the policy}) / \text{Policy Account Value})$

It may be noted that Market Value is derived from the revaluation of assets earmarked separately for the product at the time Market Value Adjustment is carried out.

Goods and Services Tax

Goods and Services Tax (GST) shall be levied on the charges such as Administration Expense and Mortality charge. The level of this charge shall be as per the rate of GST, declared by the Government from time to time.

Taxes

Taxes, duties, cess and surcharges as levied by any authorities as per extant tax laws as amended from time to time will be levied as per the applicable rates declared by the Government. In future the Company may decide to pass on any additional charges/taxes levied by the government or any statutory authority to the Master Policyholder.
