

## **Reliance Insurance to add 20K agents**

Reliance Life Insurance said it will add 20,000 agents across India in this financial year. "We strongly believe that agents are our backbone and we invest in them. We have planned to increase our agency force by 20%, which now stands at 1 lakh agents. Thus, we will be adding another 20,000 agents this financial year," said chief agency officer Manoranjan Sahoo.
