HYDERABAD, MARCH 24

The Indian Insurance industry seems to be the taking the right moves off late as it has been registering positive growth since the past two years, says the annual Insurance industry report for FY14 by Insurance Regulatory and Development Authority.

Speaking on the sidelines of inauguration of new library in Telangana in collaboration with an NGO 'Room to Read', Reliance Life Insurance chief agency officer Manoranjan Sahoo said, "India is one of the most lucrative markets when it comes to insurance sector. Also, raising FDI limit (upto 49 per cent) and new help will help the market.
