RELIANCE Life Insurance today launched a new comprehensive health insurance plan 'Health Total' that can be renewed till the age of 99.

This is a non-linked, non-participating and non-variable health insurance plan that provides a complete health cover including a fixed benefit cover for hospitalisation, critical illnesses and surgeries, along with reimbursement for other health related expenses, the company said in a statement. The new health insurance offering is a regular-pay five-year-plan. The health plan offers two options - a customer can choose a higher medical reimbursement benefit under his policy or a higher sum insured, it said.

The plan covers against expenses for hospitalisation, 10 critical illnesses, ICU treatment and surgeries as a fixed benefit amount, over and above other medical insurance plans, irrespective of the actual billing.
