Reliance Nippon Life Insurance Q2 premium up 8% to Rs 1,042 cr

NEW DELHI: Reliance Nippon Life Insurance Company on Monday said its total premium grew by 8 per cent to Rs 1,042 crore in July-September quarter compared to the year-ago period. The company said it had assets under management of Rs 19,612 crore as on September 30 this year, up by 9 per cent from the same period a year ago. Its renewal premium during the period under review rose 4 per cent to Rs 792 crore.
